Dear Mr. Harris,

Please forward to:

Mr. Mike Lesar, Chief

U.S. Nuclear Regulatory Commission

Rules & Directives Branch

Division of Administrative Services

Office of Administration

Mail Stop T-6D59

Washington, DC 20555

I am writing as a private citizen in Savannah GA to voice my opposition to the plutonium fuel program proposed for the Savannah River Site. I am very concerned about the impact this program will have on our local environment and on the health and safety of all citizens

Thank you for your consideration

Sincerely,
Jeana Aquadro
